How to Use Your Benefit Booklet

Designed with Your Needs in Mind

The Benefit Booklet provides the information you need about your Group Benefits and has been specifically designed with your needs in mind. It includes:

- a detailed Table of Contents, allowing quick access to the information you are searching for,
- Explanation of Commonly Used Terms, which provides a brief explanation of the terms used throughout this Benefit Booklet,
- a clear, concise explanation of your Group Benefits,
- information you need, and simple instructions, on how to submit a claim.

Important Note

The purpose of this booklet is to outline the benefits for which you are eligible as an employee of the Hamilton Police Service. The information in this booklet is a summary of the provisions of the Group Policy for the Employee Life Insurance and Dependent Life Insurance and the Plan Document for the Extended Health Care and Dental Care. In the event of a discrepancy between this booklet and the Policy or Plan Document (both available from your employer), the terms of the Policy or Plan Document will apply.

The booklet, in either its paper or electronic form, is provided for information purposes only and does not create or confer any contractual rights or obligations.

Possession of this booklet alone does not mean that you or your dependents are covered. The Group Policy and Plan Document must be in effect and you must satisfy all the requirements of the Plan.

We suggest you read this Benefit Booklet carefully, then file it in a safe place with your other important documents.

Your Group Benefit Card

Your Group Benefit Card is the most important document issued to you as part of your Group Benefit Program. It is the only document that identifies you as a Plan Member. The Plan Contract Number and your personal Certificate Number may be required before you are admitted to a hospital, or before you receive dental or medical treatment.

The Plan Contract Number and your Certificate Number are also necessary for ALL correspondence with Manulife Financial. Please note that you can print your Certificate Number on the front of this booklet for easy reference.

Your Group Benefit Card is an important document. Please be sure to carry it with you at all times.

Why Group Benefits?

Government health plans can provide coverage for such basic medical expenses as hospital charges and doctors' fees. In case of disability, government plans (such as Employment Insurance, Canada/Quebec Pension Plan, Workers' Compensation Act, etc.) may provide some financial assistance.

But government plans provide only basic coverage. Medical expenses or a disability can create financial hardship for you and your family.

Private health care and disability programs supplement government plans and can provide benefits not available through any government plan, providing security for you and your family when you need it most.

Your Employer's Representative

Your employer is responsible for ensuring that all employees are covered for the Benefits to which they are entitled by reporting all new enrolments, terminations, changes, etc., and keeping all records up to date.

As a member of this Group Benefit Program, it is up to you to provide your employer with the necessary information to perform such duties.

Your Employer's Representative is _____

Phone Number: _____

Please record the name of your representative and the contact number in the space provided.

Applying for Group Benefits

To apply for Group Benefits, you must submit a completed Benefits Enrolment/Change form, available from your employer.

Making Changes

To ensure that coverage is kept up to date for yourself and your dependents, it is vital that you report any changes to your employer. Such changes could include:

- change in Dependent Coverage
- change in Beneficiary
- change in Name

How to Submit a Claim

All claim forms, available from your employer, must be correctly completed, dated and signed. Remember, always provide your Plan Contract Number and your Certificate number (found on your Group Benefit Card) to avoid any unnecessary delays in the processing of your claim. For details refer to “Submitting a Claim” under the applicable benefits section of this booklet.

Your employer can assist you in properly completing the forms, and answer any questions you may have about the claims process and your Group Benefit Program.

Payment of Extended Health Care and Dental Claims

Once the claim has been processed, Manulife Financial will send a Claim Statement to you.

The top portion of this form outlines the claim or claims made, the amount subtracted to satisfy deductibles, and the benefit percentage used to determine the final payment to be made to you. If you have any questions on the amount, please contact the Manulife Plan Member Call Centre at 1-800-268-6195.

The bottom portion of this form is your claims payment, if applicable. Simply tear along the perforated line, endorse the back of the cheque and you can cash it at any chartered bank or trust company.

You should receive settlement of your claim within three weeks from the date of submission to Manulife Financial. If you have not received payment, please contact the Manulife Plan Member Call Centre at 1-800-268-6195.

All claims processed under this policy will be subject to reasonable and customary charges which are considered the lowest of:

- the prevailing amount charged for the same or comparable service or supply in the area in which the charge is incurred, as determined by Manulife Financial,
- the amount shown in the applicable professional association fee guide, or
- the maximum price established by law.

Co-ordination of Extended Health Care and Dental Care Benefits

If you or your dependents are covered for similar benefits under another Plan, this information will be taken into account when determining the amount of expenses payable under this Program.

This process is known as Co-ordination of Benefits. It allows for reimbursement of covered medical and dental expenses from all Plans, up to a total of 100% of the actual expense incurred.

Plan means:

- other Group Benefit Programs;
- any other arrangement of coverage for individuals in a group; and
- individual travel insurance plans.

Plan does not include school insurance or Provincial Plans.

The Claims Process

Order of Benefit Payment

A variety of circumstances will affect which Plan is considered as the "Primary Carrier" (ie., responsible for making the initial payment toward the eligible expense), and which Plan is considered as the "Secondary Carrier" (ie., responsible for making the payment to cover the remaining eligible expense).

- If the other Plan does not provide for Co-ordination of Benefits, it will be considered as the Primary Carrier, and will be responsible for making the initial payment toward the eligible expense.
- If the other Plan does provide for Co-ordination of Benefits, the following rules are applied to determine which Plan is the Primary Carrier.

- *For Claims incurred by you or your Dependent Spouse:*

The Plan covering you or your Dependent Spouse as an employee/member pays benefits before the Plan covering you or your Spouse as a dependent.

In situations where you or your Spouse have coverage as an employee/member under more than one Plan, the order of benefit payment will be determined as follows:

- The Plan where the person is covered as an active full-time employee, then
- The Plan where the person is covered as an active part-time employee, then
- The Plan where the person is covered as a retiree.

- *For Claims incurred by your Dependent Child:*

The Plan covering the parent whose birthday (month/day) is earlier in the calendar year pays benefits first. If both parents have the same birthdate, the Plan covering the parent whose first name begins with the earlier letter in the alphabet pays first.

However, if you and your Spouse are separated or divorced, the following order applies:

- The Plan of the parent with custody of the child, then
- The Plan of the spouse of the parent with custody of the child (i.e., if the parent with custody of the child remarries or has a common-law spouse, the new spouse's Plan will pay benefits for the Dependent Child), then
- The Plan of the parent not having custody of the child, then
- The Plan of the spouse of the parent not having custody of the child (i.e., if the parent without custody of the child remarries or has a common-law spouse, the new spouse's Plan will pay benefits for the Dependent Child).
- Where you and your spouse share joint custody of the child, the Plan covering the parent whose birthday (month/day) is earlier in the calendar year pays benefits first. If both parents have the same birthdate, the Plan covering the parent whose first name begins with the earlier letter in the alphabet pays first.

The Claims Process

- A claim for accidental injury to natural teeth will be determined under Extended Health Care Plans with accidental dental coverage before it is considered under Dental Plans.
- If the order of benefit payment cannot be determined from the above, the benefits payable under each Plan will be in proportion to the amount that would have been payable if Co-ordination of Benefits did not exist.
- If the person is also covered under an individual travel insurance plan, benefits will be co-ordinated in accordance with the guidelines provided by the Canadian Life and Health Insurance Association.

Submitting a Claim for Co-ordination of Benefits

To submit a claim when Co-ordination of Benefits applies, refer to the following guidelines:

- As per the Order of Benefit Payment section, determine which Plan is the Primary Carrier and which is the Secondary Carrier.
- Submit all necessary claim forms and original receipts to the Primary Carrier.
- Keep a photocopy of each receipt or ask the Primary Carrier to return the original receipts to you once your claim has been settled.
- Once your claim has been settled by the Primary Carrier, you will receive a statement outlining how your claim has been handled. Submit this statement along with all necessary claim forms and receipts to the Secondary Carrier for further consideration of payment, if applicable.

The amount payable for these expenses will be the reasonable and customary charges less the amount payable by the Provincial Plan.

Submitting a Claim

To submit an Extended Health Care claim, you must complete an Extended Health Care Claim form, except when claiming for physician or hospital expenses incurred outside your province of residence. For these expenses, you must complete an Out-of-Province/Out-of-Canada claim form. Claim forms are available on the Group Benefits Secure Site – www.manulife.ca/groupbenefits.

All applicable original receipts must be attached to the completed claim form when submitting it to Manulife Financial.

All claims must be submitted within 12 months following the end of the calendar year in which the expense was incurred.

Subrogation (Third Party Liability)

If your medical expenses result from an injury caused by another person and you have the legal right to recover damages, your employer may request that you complete a subrogation reimbursement agreement when you submit a claim for such expenses.

On settlement or judgement of your legal action, you will be required to reimburse your employer those amounts you recover which, when added to the payments you received from your employer, exceed 100% of your incurred expenses.
